STATEMENT OF PURPOSE

1. To glorify the Lord (Col. 3:23)
2. To develop Christian Character (Luke 2:52)
3. To uncover and develop talents in as many areas as possible (I Cor. 12:11)
4. To encourage maximum quality participation (I Cor. 14:12)
5. To provide an event to further accomplish individual school objectives (Col.1:28)
6. To accomplish these purposes in a framework of competition (I Cor. 9:24)
7. To raise funds for the organization's building and battling needs (Neh. 4:17)

OUTLINE OF BCSA SPORTING EVENTS

Soccer and Volleyball:

1. Division I and Division II Volleyball - Last Friday and Saturday in October
2. Division I Soccer - Begins next to the last Friday in October and continues the following Tuesday, Friday, and Saturday, if enough teams for World Cup format
3. Division II (Six Man) Soccer - Tuesday, Friday, and Saturday of the last week in October
4. Junior High - Tuesday, Saturday prior to the high school tournament finals

Basketball:

1. Division I and II - Tuesday, Friday, and Saturday of the last week in February
2. Junior High - Tuesday, Saturday prior to the high school tournament finals
3. The BCSA board has added a postpone date for these tournaments. If one of the tournaments is postponed, the tournament will be played the following weekend. (Example: If the Junior High tournament is postponed, the Junior High tournament will be played the week the high school would have been played. The high school tournament will then be played the following week.)

Track: First Saturday in May

Golf: First Tuesday in the month of May

GENERAL RULES

Section A. Definitions

1. BCSA Athletic Association: an association of schools which are members of BCSA whose dues are current and who are interested in athletics.
2. BCSA Athletic Committee: a committee composed of volunteers attending announced meetings. Each BCSA school is welcome to send representatives.
3. BCSA Athletic Problem Committee: a committee composed of the tournament chairman, the BCSA athletic director, and the BCSA administrative director.

Section B. Rules

1. Participation in the BCSA Athletic Association. Participation in the association is limited to those BCSA schools whose BCSA dues are current. No school will compete in any BCSA tournament whose dues are not current. Participation in the BCSA Athletic Association will be automatically terminated if fellowship in BCSA is terminated for any reason.
2. Participation Fees. School and individual registration fees must be paid on time according to tournament deadlines. An admission charge may be collected from spectators. Participants will not be charged spectator fees to any tournament games.
3. Scheduling Athletic Events. All scheduling will be worked out by the individual schools to meet the travel abilities, time schedules, and individual goals of the various schools. BCSA tournaments will be set up and controlled by the BCSA Athletic Committee. Male and female spectators are welcome at all tournaments.
4. Official Rule Books. The official rule books adopted by BCSA for its tournaments are those published by the National Federation of State High School Athletic Associations and will be followed unless stated otherwise in the BCSA rules.
5. Player Eligibility. In BCSA games and tournaments, all the players on the team must be students who are currently enrolled in the school and who are not older than nineteen years prior to August 1.
6. Dress Standards. The purpose of dress standards in our association is to be sure of two important goals: First, to teach our students a proper example of Christian deportment and modesty; and second, to present a clean Christian testimony to all who attend the games. The following standards have been established to implement these goals.
7. Any person assisting with a team should be dress in attire consistent with BCSA policy.

BOYS: Haircut should be neat and trimmed conservatively in a standard cut as shown in the drawing. Dress for games should be standard soccer or basketball uniforms or slacks with school lettered t-shirts. (Longer shorts are allowed for modesty sake, but they must be of the same color.) Neat, unpatched jeans may be substituted for slacks. Pants and shorts must be properly sized.

GIRLS: The key word in the dress standards for girls is "MODEST". I Timothy 2:9 - "... that women adorn themselves in modest apparel..." (including cheerleaders) Either regular loose-fitting cheerleading outfits or loose-fitting uniforms are acceptable. Uniforms must be to the knee. Slacks (including warm-ups) are not acceptable. The criterion for determining the appropriateness of any given cheering routine is, once again, modesty. Cartwheels and flips are prohibited unless bermuda shorts that extend to the top of the knee are worn beneath the cheerleading skirt. Tops (shirts or sweaters) for the cheerleaders are not to be tight fitting or low cut. Volleyball players will have an initial check of the uniforms before tournament play begins. This check should include the following: 1) Culottes should be to the knee (front and back). Check should be made with players in a ready/kneeling position; 2) Shirts should be checked while players are reaching to simulate blocking or serving to make sure that the shirts are properly tucked in. If the uniform does not meet the proper qualification at the time of the check, then the problem must be corrected before the girl is allowed to participate. The checker will report any uniform violations to the official scorer before the game begins (if the problem has not been remedied with the checker), and that player will be ineligible to play until the checker approves the uniform. Once the initial check is completed, the athletes and coaches should be able to concentrate on the tournament without any interruptions or distractions by tournament personnel. Exception: If there is a clear breach of the modesty issue (for example, bare midriff showing, pulling up uniforms above the knee pads), then someone with tournament authority should say something at a convenient time to the coach (between games, etc.).

8. Enforcement of Standards. If your school plays another BCSA school that does not conform to the association rules, it is proper for someone in authority from your school speak to someone in authority from the other school (in private) concerning these infractions.
9. Rule Changes. Rule changes or additions may be made by the BCSA Athletic Committee.
10. BCSA has two divisions. Division I is considered the stronger of the two divisions. Teams must declare their division and intent to participate by September 15 for soccer and volleyball, and December 1 for basketball. Teams who declare their participation and then drop out of the tournament must pay the entry fee for the tournament.
11. BCSA Athletic Committee meetings will be held on the first Thursday after the BCSA sports tournament.
12. All conference games need to be reported to the Athletic Commissioner by Mondays. Failure to report by Mondays will result in a forfeit of any BCSA games played the previous week.

13. Homeschoolers: If a local church determines that a homeschooler was somehow considered a part of a BCSA school, the homeschool student can participate in sports at that particular school.

Section C. Lodging Complaints

In the event that BCSA schools should have a complaint with one another regarding athletic competition, a provision has been made for such complaints to be lodged with the BCSA Athletic Problem Committee. This method of working out complaints will only be used for serious matters which cannot be worked out by the Christian brothers involved who are expected to solve all minor problems in the spirit of Christian love and cooperation (Matthew 18) We fully expect that most problems will be ironed out by the parties involved.

Should a situation arise which is not solved by the individuals or individual school, it will be permissible for one team to refuse to play another team in the BCSA tournament. However, the team refusing to play forfeits the game.

TOURNAMENTS

General

1. Each team participating in a tournament will play at least two games. If a school is eliminated from the tournament after one game due to an odd number of teams, half of the registration fee will be refunded to the school.
2. The tournament sites will be reviewed annually. All tournament facilities must be regulation in size.
3. Each tournament should have a new score book.
4. Several BCSA schools are members of the same athletic conference. This conference is separate from the BCSA organization.
5. Tournament balls should be leather and meet the requirements of the National Federation of State High School Associations.
6. A chain of command to handle tournament problems will be listed in the tournament program. (parents to coaches/athletic directors to tournament director)
7. Tournament directors or problem solvers will be announced at the beginning of tournaments or listed in the tournament program. The BCSA Athletic Director will appoint himself, the tournament director, or assign a male (another BCSA School Athletic Director) to enforce rule violations. During the volleyball tournaments, the BCSA secretary or assignee will need to notify the assigner if there is a violation. The final authority is the BCSA Athletic Director.
8. A minimum of four teams is necessary in order to have a tournament.
9. All tournaments have a single elimination format with consolation games unless otherwise stated.
10. Thunder sticks and noisemakers are acceptable at tournaments unless interfering with the referees' call of the game.
11. In order to have a two-day volleyball and soccer tournament, schools interested in hosting the tournament will first look for a sight that has two volleyball courts, soccer fields, and will allow us to charge admission. The athletic directors will vote on the sight location in March based on which school found the best facility. If no facility meets our specifications, we will look for a facility that can take care of most of our competitions, and play the remaining competitions at a second sight that is close by. If that doesn't work, we will play all of the volleyball, including junior high, on the last weekend in October, and all of the soccer, including junior high, on the second to last weekend in October.
12. Rosters are due to the tournament director three weeks prior to the tournament.

13. Soccer, volleyball, and basketball tournaments will be divided into two divisions according to each school's enrollment in grades nine through twelve. Division I will consist of the larger schools and the smaller schools which elect to compete against the larger schools. Division II is for schools with less than twenty (20) boys or girls in grades nine through twelve who cannot compete in Division I and for the junior varsity teams of Division I schools. Division II school which want to compete in Division I must declare their intent by September 15 for soccer and volleyball and by December 1 for basketball.
Information from the declarations at the beginning of each season should be sent back to each school involved.
14. The school that host a BCSA sanctioned tournament will also host all playoff games on the Tuesday before the tournament. If two teams mutually agree to play elsewhere, because the State tournament site is too far to travel, the two teams would be allowed. The teams would need to contact the BCSA Athletic Director and the tournament host.
15. If a team fails to appear or is late for a tournament game the following procedure will be in affect:-“If a team fails to appear and is not ready to play within 30 minutes of the scheduled starting time of a tournament game, the space on the bracket may be declared vacant. The opposing team will then be awarded a bye into the next round of competition.” We adopted this policy in for all the sports.” (OHSAA policy)
16. Policy for postponing tournaments: If there is a chance the weather postpones a tournament, the BCSA Athletic Director and the host school will make the decision. Each school will need to be in contact with the BCSA AD the week of the tournament to give updates on the weather status in their area. The cancellation of a tournament will need to be done no later than the morning of the tournament. If one school cannot make the tournament because of weather, the tournament should be postponed.

Finances

1. Financial guidelines for operating tournaments are as follows:
 - a. All tournaments must at least break even. Ideally, each tournament will produce several hundred dollars for the organization.
 - b. All profit goes to BCSA.
 - c. Concession's profit stays with the host school.
2. Tournament prices will be reviewed each year. The current prices of tournament tickets are \$4.00 for adults, \$2.00 for students, and \$12.00 per immediate family per day. Two-day tournament passes are \$7.00 for adults, \$3.00 for students, and \$20.00 for families. There are no refunds on these passes. Three-day tournament passes are \$10.00 for adults, \$5.00 for students, and \$30.00 for families. Registration fees are \$100 in varsity tournaments and \$50.00 in junior high tournaments.
3. There will be a \$25.00 fine for missing a tournament deadline (declaration of intent, registration/roster.)
4. Every person listed on the roster sheet will receive a free pass to the tournament.
5. Tournaments should have a free program for each ticket holder.

6. The Tournament host is required to send the profits to BCSA Headquarters (Zanesville) by a certain date. For volleyball/soccer the date is November 15 and for basketball the date is March 15.

Officials

1. No referees affiliated with BCSA schools will officiate games in which their school team is participating.
2. Diversify officials as much as practical.
3. All BCSA Basketball Division I & II tournaments will have a three-person crew.

Sportsmanship

1. Coaches and officials will select the winner of the sportsmanship trophy. The officials will receive a general ballot to fill out. Only on sight teams can win the sportsmanship award. Sportsmanship includes attitudes and actions of players, coaches, and fans.
2. There will be a coach's meeting following the last game of the tournament to verify the all tournament team and the sportsmanship trophy winner.
3. Coaches who do not vote for sportsmanship or all tournament teams will eliminate their school from the sportsmanship trophy, and will have no players on the all tournament team.

Seeding and Bracketing

1. The tournament seeding process will consider the following criteria in descending order of importance:
 - a. BCSA head to head competition
 - b. Mutual agreement
 - c. Previous tournament standings
2. Games that are used for seeding BCSA tournaments must be officiated by currently certified officials.
3. Any new teams to BCSA, that have not played several BCSA schools, will be seeded last in the tournament except by mutual consent of participating schools.
4. The deadline for games that will be used to determine seeding is two weeks prior to the tournament.
5. See appendix III for bracketing. Games will be played in numerical order.
6. The top seed in a tournament may choose to play in the early or late game in the tournament's preliminary round.
7. Seeding will be done by conference call.

8. Any teams outside the BCSA league, that are invited to help fill a spot in a BCSA Invitational sanctioned tournament, will be seeded last in the tournament except by mutual consent of the BCSA participating schools.

Trophies

1. Trophy guidelines are as follows:
 - a. First place: permanent traveling trophy
 - b. Second place: permanent traveling plaque
 - c. Third place: permanent traveling plaque
 - d. Sportsmanship: permanent traveling trophy (Announce the winner to the coaches in the coach's meeting prior to handing out the trophy.)
 - e. Cheerleading: permanent traveling trophy (This competition is discontinued. The trophy is at Licking County Christian Academy)
 - f. All tournament team: 4 x 6 plaques, MVP 5 x 7 plaque
 - g. Junior High tournaments: first place trophy, second place trophy, third place trophy, and sportsmanship trophy. The first place trophy and sportsmanship trophy should be 18" in size.
2. Division I and II Tournaments have traveling trophies. Other tournaments that become a part of the established tradition of the BCSA sports program may have traveling trophies. Athletic directors will make that decision at the appropriate time.
3. Each school is responsible for engraving the traveling trophy that they receive. It should be done in the same point size and font as the previous engravings.
4. The BCSA athletic director should participate in trophy presentations to make sure that presentations are consistent from year to year, and tournament to tournament.
5. Separate sportsmanship trophies will be given for each tournament.
6. Coaches will be informed of the winners of the sportsmanship trophies prior to the presentation. This will allow coaches the opportunity to decline the award.
7. If mistakes are made in the awards ceremony, additional awards will be given to correct the problem.

Soccer Tournaments

1. Division I soccer uses a round robin format for the tournament (See appendix).
2. There should be a scorer's table at midfield for the soccer tournament.
3. Each team will supply two ball boys for their soccer match.
4. The playing field for division II (6 man soccer) should be a minimum of 45 yds. X 70 yards and the maximum is 55 yards X 80 yards. The penalty area needs to be 15 yds. The Circle will be 10 yards in diameter.

5. If there are not enough teams registered for six man soccer, non BCSA schools will be invited before a BCSA junior high team will be asked to participate.
6. Division II (6 man) soccer games will be 36-minute halves.

Volleyball Tournaments

1. Volleyball tournaments are double elimination. If there are 6 or more teams in the tournament, the Athletic Directors will consider having a preliminary round on the Tuesday or Thursday before the State Tournament (because of time restraints).
2. Line judges for volleyball will be adults who are from BCSA schools not participating in the match. Each school will furnish one line judge who will do the match previous to his school's match.
3. In order to stay on schedule, volleyball teams may be limited to no less than 10 minutes on the court warm-up time except if it is their first match of the tournament.
4. Only the game time of the first game of each day is set. All other games will begin after the proper warm-up with the following limitation: Games will not begin earlier than one hour of the tentative times listed on the bracketing sheet.
5. No preplanned "ace" and "kill" cheers are to be done during tournament. Spontaneous cheers are permissible.
6. Volleyball shirts can be left out but an underneath shirt must be worn and the underneath shirt must be tucked in. The color of the underneath shirt must be the dominate color of the uniform.
7. In 2004-2005 volleyball scoring will be rally scoring. In a BCSA State Tournament the matches will be best 2 out of 3 going to 25 (win by 2). If there is a 3rd game, the scoring will be to 25 (win by 2).

Junior High Tournaments

1. The junior high soccer, volleyball, and basketball tournaments will be held the Saturday prior to the varsity tournaments.
2. Junior high tournaments will be seeded.
3. Four teams will play at the Saturday tournament (exception is junior high volleyball).
4. Junior high tournament participants must be in the eighth grade or younger. Seventh and Eighth grade students who turn 15 years of age prior to August 1 are ineligible for 7th and 8th grade athletics but are eligible to participate in high school sports.

5. Junior high soccer matches consist of two thirty-minute halves. If the score is tied at the end of regulation, two full five-minute overtimes will be played. If the score is still tied, a five-man non sudden death shootout will occur, followed by a sudden death shoot out if necessary.

Division I and II Tournaments

1. Both Division I and II tournaments will be held at the same time and place.
2. Schools may enter both the division II and division I tournaments, but players may only play in one of the tournaments.
3. The age limit for Division I tournaments is set at 7th and up. The age limit for Division II tournaments is set at 6th grade and up. Exception has been made for 6 man soccer and volleyball tournaments (3/27/08): The BCSEA board is allowing 6th graders to play in the tournament.
4. Seventh and Eighth grade students who turn 15 years of age prior to August 1 are ineligible for 7th and 8th grade athletics but are eligible to participate in high school sports. High school students (grade 9-12) who turn 19 years of age prior to August 1 are ineligible for interscholastic sports.
Consequences for playing ineligible students: forfeiture of that game.
5. All Star Games: The volleyball and basketball sports will have an All Star game the week after the Division I and II basketball Tournament. The Division I and Division II coaches that coach in the championship game will draft teams from the Division I and II All- tournament teams. There will be an All-Star game for each division. A coin flip will determine who will pick first. After the first pick, the coaches select two players at a time until all players are chosen. Since there will only be six basketball players and seven volleyball players on each tournament team, the coaches will be able to fill their squad with some additional picks that can come from any BCSEA school. The drafting of players will occur immediately after the tournament awards program.

Cheerleading

1. Halftime cheers should be no longer than one and a half minutes.
2. Cheerleaders may do thigh mounts.
3. Cheerleading squads should display good sportsmanship by taking turns doing floor cheers and sideline cheers during time outs and between quarters.

Track and Field

1. Entry fee for track is \$6.00 per student up to a maximum of \$65.00
2. Ladies involved in track may not wear sweatpants or pants at the meet.
3. The format of the track meet was changed in 2002 so that both boys and girls field events will run simultaneously followed by track events.

Golf

1. USGA rules will be used unless otherwise specified.
2. No player will be allowed to play at the tournament site until one week prior to the tournament for one practice round.
3. Coaches may not coach their players during the match (including club selection).
4. If possible, a coach should be assigned as part of a foursome that does not include a player from his school.
5. Stroke play will be used to keep score.
6. A team consists of at least three players. The top three scores count toward the team score. If a team has less than three golfers, they may still participate in the tournament. They will be eligible for individual awards, but not the team award.
7. Girls will hit from red tees; boys from white tees.
8. A list of important USGA rules will be sent to each participating school. In the future, this list will be in the back of this manual. All golfers are required to read these rules.
9. Coaches need to coach pace of play. "Ready" golf means one player gets ready to hit his shot while the other player is hitting his.
10. The top three individual scores will medal at the state tournament.

RESPONSIBILITY CHECKLIST FOR TOURNAMENT DIRECTORS

1. Read the BCSA Sport's Manual thoroughly.
2. Establish deadlines for informational mail outs mentioned in #3 below. Have plans checked by BCSA Athletic Director according to deadlines.
3. Prepare the informational mail outs and send them to the BCSA schools, which are participating in the tournament. Notify participating school according to deadlines concerning registration, scheduling, direction, eating, dress, and accommodation.
4. Receive the registration forms and fees from BCSA schools.
5. Find and reserve facilities as centrally located as practical.
6. Line up the officials, scorekeepers, and clock operators for games. Follow BCSA guidelines on selection and number of officials. Instruct them to enforce Christian standards.
7. Plan the schedules of the games. Bracket following BCSA guidelines.
8. Set up playoffs if necessary.
9. Set up budget so that income exceeds expenses.
10. Get the program printed.
11. Order trophies following BCSA guidelines.
12. Be sure trophies arrive at the tournament site at the beginning of the tournament.
13. Charge an entrance fee for each school entering the tournament.
14. Delegate people to collect money at the gate from those who have not pre-purchased admission tickets.
15. Have a concession stand.
16. Keep accounting of the funds received and expended: issue a financial report at the conclusion of the event.
17. Send proceeds from the tournament to BCSA headquarters. Proceeds from concession remain with the host school.
18. Write a summary article for the BCSA newsletter.

WORLD CUP TOURNAMENT FORMAT

Division I Soccer

1. Seed all of the participating teams. (See page 7 for seeding process)
2. Divide the teams into two equal divisions.
3. Play a round robin tournament within the division.
 - a. The higher seeded team receives home field advantage in early round matches.
 - b. Up to an eight team tournament would require playing the Friday prior to the tournament, the Tuesday prior to the tournament, and the last Friday and Saturday in October, the traditional tournament dates.
4. Reseed the teams after the round robin tournament using world cup rules to break ties.
 - a. Fewest goals allowed
 - b. Goal differential
5. Play the championship, third, fifth, and seventh place games on Saturday.
